## Arrest Made in Cocaine Distribution

**Caroline County, Virginia-** On July 21, 2022, Caroline County narcotics investigators and deputies served a search warrant at the Pine View Apartments, in Ruther Glen, and arrested 48 year-old, Larry Jackson, of Ruther Glen, for the charges of distributing cocaine, possessing cocaine with the intent to distribute, possessing a firearm while possessing cocaine with the intent to distribute, and possessing a firearm as a violent felon.

This investigation began after the CCSO received tips about suspected drug dealing at the Pine View Apartments. After an investigation, that included undercover drug purchases conducted by CCSO narcotics investigators, an arrest warrant was issued for Larry Jackson and a search warrant was issued for his apartment. During a search of Jackson's apartment, investigators discovered what is believed to be cocaine, with a street value of approximately \$3,000.00, a loaded .38 caliber revolver, and over \$1,000.00 in currency. Jackson is being held without bond at the Pamunkey Regional Jail.

Sheriff Lippa stated: "This investigation was initiated by citizen complaints. I am so thankful for our concerned citizens who continue to support the CCSO, and provide information that makes investigations such as this one possible. Together we are making Caroline County a safer place to live, work, and raise a family."
